

**DEEP BAY WATERWORKS DISTRICT  
BYLAW NO. 208**

A bylaw for fixing the connection charge payable to the improvement district and the time of payment thereof.

The Trustees of Deep Bay Waterworks District ENACT AS FOLLOWS:

1. **Definitions**

Service Connection

Shall mean all the infrastructure necessary to connect from the applicant's property lot line to the Deep Bay Waterworks District system.

2. **Application for Water**

a) Application for water must be made in writing to the improvement district, delivered to the Administrator, and must be in such form as the Trustees may, from time to time, prescribe, and must be signed by the applicant who must be the owner or an authorized agent of the owner of the property in respect of which application for water is made.

b) Each application for water must be accompanied by the prescribed charges as set in this bylaw.

c) No water will be supplied upon any application until all fees and charges for water connection, meter installation or other monies required by the improvement district to be paid have been paid in full.

d.) Each application must contain the name of the owner, the legal description of the land parcel, specific details of the type and extent of development to be served, and the type of water service required.

3. **Connection Charge**

Every applicant for a connection to the works must pay to the improvement district the total cost of labour, materials, permits and any other items required to install the service connection, plus an inspection and administration charge of two hundred fifty dollars (\$ 250).

4. The Trustees may, subject to the prior payment of the above charges, require the property owner or his representative to carry out the installation of the service connection or any part thereof, subject to the standards set for the improvement district.

5. The minimum deposit to be made at the time of application for a connection shall be two hundred fifty dollars (\$250).

6. Where the cost of labour and materials expended by the improvement district in installing the connection exceeds the minimum deposit against actual cost as set out above, the remaining balance is due and payable upon completion of the service connection. The water will not be turned on until the balance is paid in full.
7. This bylaw repeals Bylaw No.123, passed by the board of Trustees on 27<sup>th</sup> day of May 1993
8. This bylaw may be cited as the "Connection Charge Bylaw".

INTRODUCED and given first reading by the Trustees on 21<sup>st</sup> day of October, 2009.
