How do you compare?

Some comparison numbers for this invoice period:

5% of all households used no water

74% of all households used less than 40 m³

15% of all households used between 40 and 74 m³

2% of all households used between 75 and 100 m³

4% of all households used over 100 m³

Fire Department News

Burn permits required as of April 15th

Confirm...before you burn!

Check Environment Canada's daily ventilation index for Central Vancouver Island to confirm if burning is permitted. Outdoor burning is restricted when the index is POOR or FAIR. The conditions must be GOOD on the day you burn as per DBID Bylaw No. 223.

Venting index information available at:

<http://www.env.gov.bc.ca/epd/epdpa/venting/venting.html> or
call 1-888-281-2992.

Thank you to everyone who contributed so generously to the annual food drive and making it a huge success! 2 full pallets of food and \$2581 were collected this year.

Drips & Drops..

- ◆ **Water Meter clearing** – Thank-you to those that keep the area around their water meter clear. Access around and above the meter box is required for meter reading and maintenance. Please have a look to see if spring growth needs to be cut back prior to the April meter reading.
- ◆ **This mailing** has your Quarterly Water Tolls and your Parcel & Fire Protection Tax invoices. Please make sure both are paid by the due dates indicated.

Deep Bay Fire Hall Project

January 2020 Update:

Site preparation is continuing:

- Relocation of the C-Can storage unit and tree removal have both been completed.
- Relocation of the back-up generator and installation of a new septic system to be completed early this year.
- Steel Building contract has been awarded to **Ferro Building Systems** and contract documents are being finalized.
- RDN Building Permit package is being finalized with information regarding the steel building.
