2016 Parcel & Fire Protection Taxes

Fire Protection Taxes fund all operating, training costs and renewal costs for all equipment and vehicles used by the Deep Bay Volunteer Fire Department. To address the rising costs of replacement equipment, there has been a 3% increase for 2016. This tax has not been increased since 2010.

Rates for the "Building Renewal Fund", established last year, remain unchanged. Monies collected under this tax are to be used exclusively to fund renewal of the existing building.

Parcel Taxes fund a "Renewal Reserve Fund" that is used for the replacement and upgrade of our existing water infrastructure. The parcel tax rates remain unchanged for 2015.
